No. 03-2-0008

ORDER ON MOTION TO  
INTERVENE AND  
PREHEARING  
CONFERENCE SCHEDULE  
CHANGE

On February 24, 2003, we received a Petition for Review from Steve Erickson on behalf of Whidbey Environmental Action Network. Petitioners challenged Island County's adoption of Ordinance C-92-02, PLG-015-02 that amends the Island County Comprehensive Plan and Zoning Atlas, to establish a new Seattle Pacific Special Review District, including the Camp Casey Master Plan that was adopted on December 16, 2002. Notice of the ordinance's adoption was published on December 25, 2002. The Petitioners also challenged the Determination of Non-Significance and the Adoption of Existing Environmental Document CPA/031/02 related to the above ordinance and issued on November 4, 2002. The basis for the challenge is noncompliance with the Growth Management Act (GMA) and the State Environmental Policy Act (SEPA).

On March 7, 2003, we received a Motion of Seattle Pacific University to Intervene as a Party Respondent from G. Tim Martin, Attorney representing the Seattle Pacific University.

1 On March 11, 2003, we received a written response from Steve Erickson stating that the  
2 Petitioners will not contest intervention by Seattle Pacific University.

3  
4 Both Steve Erickson and G. Tim Martin requested that the Prehearing Conference scheduled  
5 for April 10, 2003, at 10:00 a.m. be rescheduled. The County had no objections. We will  
6 reschedule the telephonic Prehearing Conference to be held on April 1, 2003, at 10:00 a.m.
